Dear PSD Parents/ Guardians:

Subject: PA No. 1: MOEHE Circular No. 10 for the year 2024, General Guidelines for School Uniforms for Students in Private Schools and Kindergartens (boys and girls)

The most important formative years of a person's life are spent in school. A vibrant school uniform adds to the excitement of every school-going child when he/she puts it on. A decent and dignified school uniform plays a central role in fostering uniformity, a sense of community, and equality among students, irrespective of their class, section, religion, region, economic status, or country of origin.

Thus, in adherence to the Ministry of Education and Higher Education (MOEHE) Circular No. 10 for the year 2024, the School Management would like to inform you of the following General Guidelines for School Uniforms for Students in Private Schools and Kindergartens (boys and girls).

1. Adherence to modest school uniforms that suit the school campus and the values followed at the State of Qatar and also in the extra-curricular activities applicable in the school;
2. Ensuring that female students' clothing fabrics are non-transparent and **do not outline the body shape** in all types of clothing (school uniforms, sportswear, swimwear);
3. Long sleeve shirt from the seventh grade and above;
4. Pants or skirt not rising above the knee with non-transparent women's socks for the lower part of the body (when wearing the skirt) or mid-calf length skirt;
5. Sportswear for females – wide leg sports pants or shorts (with women's/ men's socks – hella-hop in case of wearing shorts) from the fourth grade and above;
6. Swimwear with long or short sleeves top and knee-length swimming shorts.

In accordance with the MOEHE's directive, the aforementioned guidelines for students' school uniforms will be implemented beginning with the academic year 2024-2025.
