

**Primary Department**  
**Academic Olympiad Award Ceremony: Applause Across the Screen**  
**Day 1- April 14, 2025**

The first day of our Academic Olympiad was a joyous celebration of talent, creativity, and hard work, as we proudly recognized the outstanding achievements of our young learners in the Literary Competitions and Spelling Bees. This special event, dedicated to awarding winners across the three primary grade levels—Grades 1, 2, and 3—was held online via Zoom. Though conducted virtually, the program stood out as a truly memorable and meaningful experience for all.

The event commenced with an inspiring welcome address from our Vice Principal, Dr. Cleo, whose heartfelt words of encouragement resonated with every student, teacher, and parent in attendance. Her powerful message set the tone for the day, igniting excitement and pride among the audience and

reminding everyone of the importance of recognizing and celebrating the achievements of our young learners.

The decision to host the program online reflected our commitment to ensuring a seamless and efficient event while minimizing any disruption to regular classes. The virtual platform provided a vibrant space where students came together to celebrate their peers' successes. Applause, cheers, and smiles filled the digital stage as classmates and friends were celebrated for their exceptional accomplishments, creating a heartfelt atmosphere that bridged the physical distance.

This remarkable event was made possible under the thoughtful guidance and steadfast leadership of Dr. Cleo. Her dedication, along with the collective efforts of the entire Primary teaching team, ensured the smooth execution of the program and its lasting impact on all participants. Together, they transformed a simple online gathering into an inspiring celebration of learning and excellence.

The Academic Olympiad's first day served as a testament to the unwavering spirit of our school community—a day to celebrate talent, foster camaraderie, and inspire young minds. It was a moment of pride and joy, showcasing the boundless potential of our students and leaving a lasting impression on everyone who attended.

The photos attached offer glimpses into this unforgettable day, capturing the beaming faces of students as they proudly received their awards and the energy that radiated through the Zoom gathering. These images stand as a visual testament to the unity and enthusiasm of our school community, making the day even more special for all who participated.

As we conclude this remarkable event, we extend our warmest congratulations to all the winners and participants. We also express our heartfelt thanks to everyone who contributed to the success of this program. May this event continue to inspire our young learners to dream big, strive for excellence, and embrace the joy of learning for years to come.
