

Student leaders instated into office

Written By: Unica De Vera

Philippine School Doha led by the Supreme Student Government held the Induction of Officers at the EVB Gymnasium to celebrate and officialize the elected officers and club members last 16th to 17th of August.

The Intermediate and Afternoon session student leaders were inducted on August 16, while the Primary, Junior High School, and Senior High School class officers, along with the members of the different PSD organizations namely the Supreme Student Government (SSG), The Link, Commission on Elections (COMELEC), Citizenship Advancement Training (CAT), and Peace Envoy were inducted on August 17.

During his inspirational message, Dr. Acosta shared that being a leader is not just about the successes gained, but the failures endured. He expounded this by saying that,

“The troubles of your leadership show that you are a strong person.”

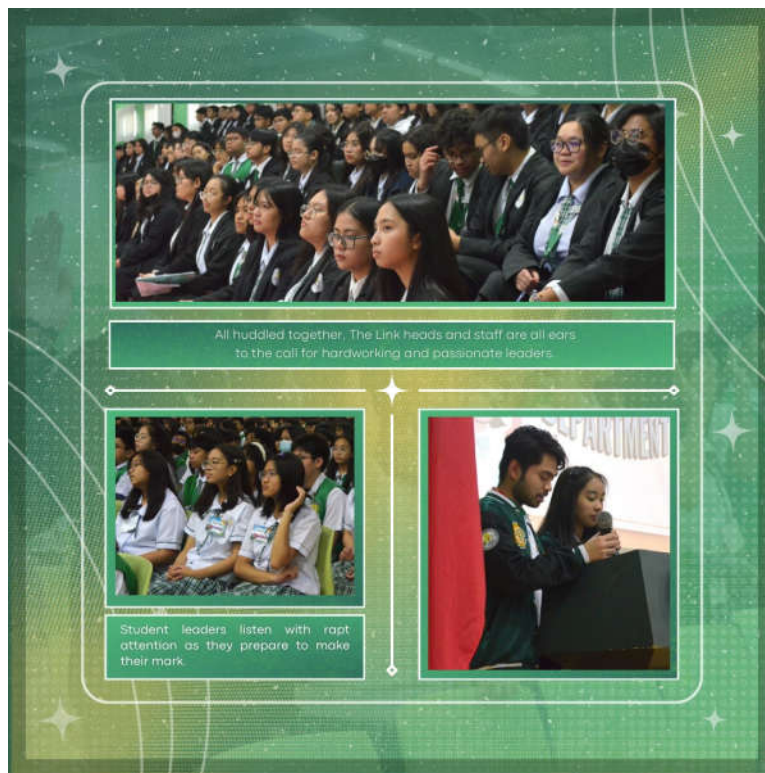

Dr. Cleofe M. Pascual (Primary Department Vice Principal), **Dr. Wilgie Mae T. Serna** (Intermediate Department Vice Principal), **Dr. Caridad A. Canete** (Junior High School Department Vice Principal), and **Dr. Noemi F. Formaran** (Senior High School Department Vice Principal) held the induction-proper for the class officers of their respective departments.

Furthermore, The Link's Content Editor-in-Chief, **Daniella Kite V. Latorre**, led the recitation of the Journalist's Creed. On the other hand, **Mrs. Melissa R. Montayre**, Vice Principal of the Office of Student Affairs, accompanied the C.A.T, COMELEC, and the Peace Envoy members in their oath-taking. Lastly, **Dr. Alexander S. Acosta**, School Principal, swore the SSG Officers into office.

In her closing remarks, Mrs. Montayre congratulated everyone inducted, thanked those who helped organize the program, and reminded the student leaders of their duties by stating that,

“Being a leader isn't about being in charge, but leading those in your charge.”

The Induction of Officers signifies an important step for all the student officials and club members in becoming definite leaders of Philippine School Doha.

Members of the Commission on Elections take on the school year with their pledge to responsibly carry out their duties.

Unwavering in strength and heart, a new batch of C.A.T. Officers vows to fulfill its duty to stand and deliver.

The officers of the Supreme Student Government readily devote themselves to lead with service and excellence.
