

Local Actor visits PSD Campus

By Danica Pilapil

A Philippine-based singer-actor went on a campus tour as part of the concert promotion of Moira Dela Torre a Filipino singer-songwriter.

Kyle Echarri graced the PSD gymnasium through a short program last February 9.

The program started as Echarri set the stage on fire as he sang and grooved to "Treasure" by Bruno Mars. Nia Janelle Incabo, a Grade 11 student impressed the audience and was chosen as the crowd's favorite out of the four girls who showcased their talents. Incabo, who received the loudest cheers, had the opportunity to perform one-on-one with the actor.

At the end of the program, Kyle Echarri thanked **Dr. Alexander Acosta**, **Dr. Caridad Canete**, **Ms. Melissa Montayre**, the **C.A.T officers**, the **SSG officers**, The **Link members**, and the entire faculty for making the event possible. A photo opportunity followed shortly after the program.
