General rules and guidelines for private transportations:

1. Very important notes: Gate opens at specific timing during regular school days. Do not come early to drop your child/ren.
 - a) For morning classes (K2, Primary, Intermediate, and Junior High School), gate opens at exactly 6:15 am. For SHS, gate opens at 10 am.
 - b) For afternoon classes, gate opens at 10:10 am for K2; gate opens at 12 pm for Primary, Intermediate, and Junior High
2. Parents, guardians, and all transport vehicles must park in the open area opposite gates 4-6. Please park properly and be patient and understanding with other drivers.
3. Gate 5 will be the entrance of the incoming pedestrians. Gate 4 is the exit point.
4. Gate 3 is strictly for vehicles with the school's car pass (employees and admin only). Do not walk across gate 3. This rule ensures the safety and security of all students and staff.
5. Please do not park along the road leading to the roundabout, **as it is closed** to pedestrians. You might not be able to cross the road on time. Again, please park your vehicle in the **parking area opposite gates 4-6**.
6. Parents or guardians wishing to drop their young child to the classrooms can do so during the orientation days (July 27-29, 2025). Starting July 30, 2025, students shall be dropped at the entrance of gate 5 only, parents are strictly not allowed to enter gate 5.
7. During dismissal periods, fetchers are not allowed to enter the building and must only stay in the designated waiting/fetching areas. This is a no-exemption policy, as the school will strictly implement it. Use gate 4 to exit.
8. Please follow the fetching procedures from your child's respective department.
9. Come on time during the dismissal periods. Kindly be patient and respectful with others. Be cooperative with all school staff who only implement instructions, helping to achieve orderliness in our school.
10. Please inform your child's class adviser when another fetcher is coming.
11. The school does not endorse private transportation. It is your own choice, for that matter. However, school transport is the best way to bring your child to and from school.

Do not park on this side, there is no access to cross the road.
