

POD Discipline Week Winners hailed

Written by Fealyn Custodio

In celebration of discipline week, the Prefect of Discipline organized competitions, namely the Piece of Peace (POP) Video Contest and the Bulletin Board Poster-Slogan Competition. The awarding for the SHS Bulletin Board Contest was held on September 10 while the program for the POP Contest was held on September 28.

The students who prevailed as winners in their respective contests are shown above.

Dr. Wilgie Mae T. Serna, Vice Principal of the Intermediate Department, and Dr. Caridad A. Canete, Vice Principal of the Junior High School Department, extended their gratitude and congratulations towards the Prefect of Discipline, Office of Student Affairs, teachers, staff, and the participants of the Piece of Peace video contest.

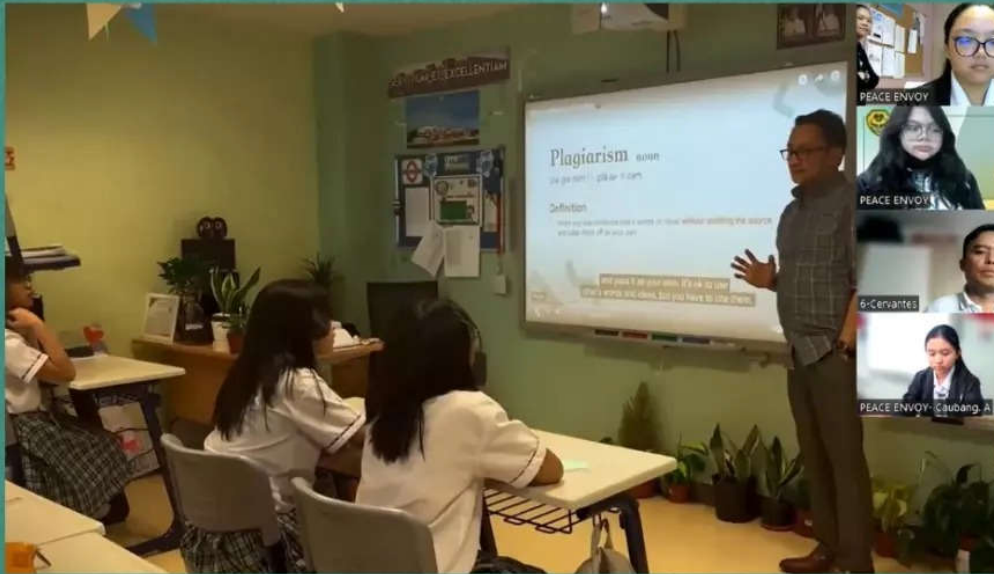

Moreover, Dr. Noemi F. Formaran, Vice Principal of the Senior High School Department, delivered her special message where she congratulated the SHS students and stated that: "Discipline, as the saying goes, is the link between achievement and ambition. Self-discipline helps us realize our goals and maintain a positive outlook."

Lastly, Mrs. Melissa R. Montayre, Vice Principal of the Office of Student Affairs, expressed her gratitude to the facilitators and the people who made the event possible as well as the students who gave their support and participation.

With the theme “Thrive and Navigate the Post-Pandemic Challenges: Life Lessons and Insights,” the Grades 6 to 10 students were tasked to create a 1-minute video that reflected the challenges and coping strategies that were applied amidst the pandemic. On the other hand, the Senior High School students designed their bulletin boards, with the prompt “Self-Discipline: Overcoming the Challenges of the Post-Pandemic.”

Videos of entries per category were shown before the announcement of winners.

Peace Envoy Officer Charlotte Lim presents the certificates to recognize the judges for their time and effort in determining the winners.

Grade 11 Cobalt is recognized as the second-place winner for the Grade 11 Category with their artwork depicting the transition from online to blended learning.

Grade 12 Cadmium is awarded 3rd place for the Grade 12 Category with their entry showing the challenges faced before, during, and after the pandemic.
