The event was formally opened by the inspirational message of **Dr. Noemi Formaran, SHS Vice Principal**. She amplified that just as students do in the COL, everyone should also celebrate life.

“Let us realize that there is no better formula of converting the bad to be good than acceptance and love.”

Leanne Dinglasan, COL Overall Head, highlighted in her welcoming remarks that the magical celebration was a testament of the students' dedication. She further mentioned that every lesson, discovery, and moment of imagination will truly shape the future of the SHS Students.

Furthermore, **Dr. Alexander S. Acosta**, School Principal, emphasized in his speech the importance of holding the annual Celebration of Learning to sustain the passion of learning.

“For DisneyWorld, their mission is to entertain, inspire, and to inform people around the globe through storytelling. This counts as proof of what PSD is capable of.”

Mrs. Maricel Gubat, Chairman of the COL 2024, offered her gratitude through the vote of thanks. Mrs. Gubat thanked the several contributors who made the event possible through their unwavering efforts and time, especially the SHS students who participated in the event.

The two-day celebration was enjoyed by the visitation of the different booths prepared by the SHS students explored by students from Preschool to Junior High School departments. The set-ups were aligned with the various subjects in the SHS department that were designed according to chosen Disney themes. The annual Celebration of Learning started in 2017 with the purpose of showcasing and applying the learnings of the students in the featured subjects from every strand.
